every one settled down for a comfortable afternoon. The following sections of the bill were amended, the rest, up to section 6, chapter IX, including those deferred from Tuesday, were passed as printed, with one or two slight typographical anisodements. Section 1 chapter the

(Fom Thursday's Daily.)

With the exception of one vote, the hamber of Commerce yesterday adoptd the resolution presented by J. H. Atherton fiftyocating the extension of the fire limits as proposed by the Board

reading as follows:

Whereas, it is understood by this Chainber that no action has been taken by
the Legislature now in session to extend the fire limits of the City; and.

Whereas, it is very desirable and for
the best interests of the whole commithe legislature now in session to extend to the resolution with the exception of Mr. Mastarlane who veted in
the negative. The resolution will be sent
to the President of the Sentte and the
to the President of the House. It was surpost-

tension of the present fire limits of City, on the lines recommended by the Board of Fire Underwriters.

Present at the meeting were W. F. Allen, president; J. G. Spencer, secre tary; T. R. Walker, H. A. Isenberg, F. A. Schaefer, E. C. Macfarlane, Mannie Phillips, F. J. Lowrey, A. J. Campbell, A. A. Young, W. Schmidt, W. M. Giffard, J. W. McChesney, P. Muhlendorf, P. Cooke, J. B. Atherton and C. Bolte.

The resolution which was originally read at Tuesday's meeting was re-read. Caused by an Impure Condition Mr. Schaefer explained that the Board of Fire Underwriters had taken in the of the Blood-How It May extreme limit in the lines suggested by them at their meeting last Friday, as already printed in the Advertiser, and From the Mirror, Manchester, N. H. believed that the limit proposed by Athough rheumatism is one of the them was all that could be asked of rheumatism by the use of this remedy. extending the fire limits as far as She says:

Punchbowl street and thence down to "Several years ago one of my knees the waterfront. This limit was suggestwas injured by a fall. About the first ed by the government. The Board of was unable to move about. I tried lature. By referring to the map of the the district between Richards street "In the latter part of August, nearly and Punchbowl street was owned large-three months after the pain and stiff- ly by the Government, upon which gov-

ness began, a friend. Mrs. Rothwell, of ernment buildings were located. Below Everett, Mass., told me of Dr. Williams' the Judiciary building was the Naval Pink Pills for Pale People. I willingly reservation, but on private property gave them a trial and experienced relief therein there were a large number of in a few days. I continued until I had shacks, and business was extending in taken three boxes and was able to bend that direction. In reality there was not the knee and go up and down stairs much private property to be taken in without difficulty. I have since taken by extending the proposed limits to the pills a number of times for other Punchbowl street but what little there Aroubles and always with good results, was would be advantageously corralled "I have recommended Dr. Williams" by the fire limits. Speaking for W. G. ink Pills for Pale People many times. Irwin, Mr. Giffard said the former owned a whole block in the district were taken, excepting in the case of mentioned by him and he had no ob-two of my relatives and a young wo- jection to have the fire limits include this property. He urged that the lines be extended to Punchbowl street. He thought all buildings near the Capitol should be fireproof or brick, and no op-

wish to go beyond Alakea. Mr. Macfarlane was opposed to ex- of defendant. of the Islands, the following clipped tension of the fire limits Walkikhwards and taking in what has heretofore been prize. from the issue of April 4, takes the prize:

A colored lad, aged thirteen, whose name is Charlie Lewis, tells a wonderful tale of kidnaping and slavery. By his own statement, he and two companions of the same color and age were lured aboard a train at Montgomery, Ala., locked in a compartment and taken to New Orleans, thence to San Francisco, and then shipped to the Hawaiian Islands on the steamer China to serve as slaves on a sugar plantation near Kahului, on the Island of Maui.

Charlie Lewis' companions were put the color and see that the sums collected by defendant that the sums collected by

of Maui.

Charile Lewis' companions were put in prison for refusing to work, preferring the prison to tweive hours' daily labor, with merely board for wages, and three years of the same ahead or them.

Charile stole out in a small best to sweeping proposition.

Charile stole out in a small best to sweeping proposition.

Martin Meade, the machinist and water in Martin Meade, the machinist and water lander on the Centennial, makes a statement largely correspondity of what Chartle Lewis states. He says:

"If there is any way by which I can get Chartle's friends out of that slave camp, I will get them out."

Mactarlane. "The Board will probably keep up its present rates of insurance banquet in New York were simple enough:

"If there is any way by which I can the matter of the insurance companies and their present outrageous rates be-

fore United States District Attorney Baird, because they are operating in restraint of wade."

Mr. Atherion explained that the ensure did not compet any one to take down present buildings on promises within the proposed limits, but that any buildings must be constructed coordance with fireproofing ideas. He hought if a limit was set this would give an opportunity for people to put up any kind of buildings they wanted and the result would be that there would be no fireproof buildings, but a mushroom town of frame shacks. In the interests of the whole community he believed the resolution should be passed and so presented to the Legisla-

tended; and,
Whereas, the Board of rire Underwriters addressed a communication, dated the 13th inst., to this Chamber, free-ommending the extension of the fire limits: therefore be it
Resolved, That this Chamber petition the Legislature to favor any bill that may be introduced before it for the extension of the present fire limits of the

LARRY DEE WANTS AN ACCOUNTING

Lawrence H. Dee has brought suit in the Circuit Court against Tom J. King for certain amounts alleged to be due by the latter in connection with the organization of the West Disinfecting Com-pany. Dee states that on July 18, 1898, plaintiff and defendant entered into a co-partnership for the purpose of pur-chasing from one J. C. Rierdon, for the sum of \$5,000, the agency of the West Disinfecting Company in the Hawaiian Disinfecting Company in the Hawaiian Islands, for the sale of disinfecting machines of the sale company, and the fluids and other substances used therein, for the unexpired term of eight years, Athough rheumatism is one of the them was all that could be asked to lor the unexpired term of eight years, most painful and dangerous of the the Legislature. He explained that after and for the purpose of carrying on of many troubles which afflict mankind, it er much discussion by the Board it was the business of the agency after the purchase thereof, plaintiff agreeing to purchase thereof, plaintiff agreeing to the purchase thereof the purchase the purchase thereof the purchase th many troubles which afflict mankind, it can be permanently cured if a proper deemed unwise to extend the limits furpurchase thereof, plaintiff agreeing to course of treatment is taken. The real cause of rheumatism is the presence approval of the Legislature. As Richards and to receive a one-fourth interest therein and to receive a one-fourth share of the profits of said business, the defendant agreeing to bring into said partnership \$3,750 to purchase a three-fourths inter-

> agency. Plaintiff accordingly bought into said business said sum of \$1,250, and he and defendant accordingly bought into the company for \$3,750 and said agency was company for \$3.750 and said agency was on July 18, 1898, purchased by said Law-rence H. Dee and T. J. King, co-partners, for the said sum of \$5.000, and the co-partners have been engaged in the business since that date.

said business without regard to the wishes of plaintiff and since the last mentioned date has refused and still refuses to consult or advise with plaintiff in running and managing said business and still refuses to recognize plaintiff in any manner as a partner in said bus-iness. He alleges the said business properly handled would produce large gains and profits. Dec states he is informed and believes, and upon such information and belief alleges, that through the gross neglect and mismanagement of said business, large profits which would have been realized therefrom have be negrous. been realized therefrom, have, by neg-lect and mismanagement not been real-

Dec further shows that no settlement Dee further shows that no settlement of said co-partnership accounts and busi-ness has ever been made between plain-tiff and defendant, although plaintiff has frequently requested defendant for a settlement of same, as in justice and

equity he ought to do.

It is further alleged by Dee that the defendant has possessed himself of the co-partnership books and has refused and still refuses to promit the contract of the cont portunity given for the erection of instead the permit plaintiff to inspect the same, and has refused and still refuses to render plaintiff any ac-count of the partnership moneys receivconsider the area too large and reject the whole proposition.

Mr. Schaefer said the principal object of the Board is to take in Chinatown and it was deemed unwise to try and carry the lines further than now proposed. The Board at first did not unable to go because of the fact that the world heaven are in the hands are in the hands are in the hands. said partnership books are in the hands

Dee says he has no plain, adequate and complete remedy at law for the reason

and three years of the same ahead of them.
